Sir,

Sub:- Appointment of a second Clerk and an additional Bill collector to Magadi Town Municipality.

I have the honour to state that the Municipal council Magadi resolved at their meeting held on 31/12/1947 to appoint a second clerk and an additional Bill collector to cope up with the increasing volume of work

2 Hrs
to
ml 4/48

In his report No. M.L.C. 163/47-48 dated: 11/1/1948, the President has stated that at present there is only one permanent clerk in his office in grade 25-1-40 Magadi Municipality with an annual income of Rs 26 000/- as reported by the President as to be classified as a first class municipality It is reported that the work in the Municipal office is increasing day by day At present there are six years Audit objections which have to be attended to immediately Besides observations made during the inspections by the Deputy Commissioner have also got to be attended The routine office correspondence itself is increasing in volume on account of the Sewerage Town Improvement scheme undertaken and which are to be attended to with great promptitude

Further the President reports that the arrears of collections stood at Rs 9393/- on 1/7/1947 To attend to the prompt issue of demand notices and to the other items of work connected therewith it is not possible by the bill collector now employed temporarily

With the existing staff of one clerk and one temporary bill collector is felt that the work of the office cannot be carried on smoothly and there is every possibility of there being slackness in work In order to cope up with the increased quantity of work the council has decided to entertain one additional second division (clerk) permanently and one permenent Bill Collector

As it would be a long time before Government orders are obtained in the matter and in the meantime the office work would greatly suffer the c

the council resolved on 31/12/47 that in order to carry on the work efficiently and bring upthe arrears up to date to appoint one clerk and one Bill collector in addition to the existing staff temporarily for a period of three months in the first instence

I have therefore in the interest of the work itself ordered the appointment of one second clerk on Rs 25/- in grade 25-1-40 (to be revised to Rs 40 2-50 3-80) and one bill collector on Rs 15/- P M with the usual dearness allowances temporarily for 3 months in the first instance and request/ that sanction of Government may kindly be accorded to the same

Proposals for creating a plan for permanent second clerk and one Bill Collector will be submitted to government on receipt of the resolution/from the president

A copy of the memo issued sanctioning the posts temporarily and the connected papers accompany for favour of reference

I have the honour to be
Sir
Your most obedient servant
